Company Data

Udugu Journey LLC operational since 2023 working with Project Management Offices in different industries to deliver business value and customer satisfaction. Udugu was founded by Brenda Dixon who has more than 18 years delivering process improvement projects as a Lean Six Sigma Black Belt and Disciplined Agile Value Stream consultant. Her approach is to focus on the principles of lean management, customer orientation and quality assurance. As a leadership development coach, Brenda has worked with groups and individuals on issues of team building, alignment of cultural values, co-creation of vision to action plans, strategic performance issues of engagement, and coping with VUCA.
